PRL MISSION STATEMENT

To consistently provide exceptional, professional service and advice while nurturing trusting relationships with our clients, insurers, and colleagues.

About PRL

PRL was established in 1959 and today is one of the leading independent insurance advisory and brokerage firms in Canada with offices in Toronto, Montreal, Calgary and Vancouver.

What differentiates us from our competitors?

The individuals you meet and deal with are the ones who will carry out the work and represent you in the insurance market.

PRL's business is founded on the principles of providing clients depth of expertise and quality service.

Our Commitment to You

- **Our People and Culture:** We attract industry experts who take pride in delivering value and hands-on service
- **Our Service Model:** We customize our service delivery to meet your needs
- **Our Cost Structure:** We manage our costs to allow us to stay competitive with firms of all sizes and avoid unnecessary overhead or financial pressure
- **Our Ownership:** We're a private provincially incorporated firm with no public shareholders to service, allowing us to move quickly and make decisions without outside influence

Our Corporate Values

- **Client Focus:** Align ourselves with our clients and understand their business
- **Service Excellence:** Provide timely advice and service
- **Professionalism:** Through the quality of our work
- **Passion:** For growing our business
- **Integrity:** Be transparent and honest
- **Collaboration:** Optimize the intellectual power of the group

Our Commitment to Our Employees:

- **Rewarding Performance:** By advancing careers and sharing in the profits of the company
- **Ownership:** Providing opportunity for established leaders to participate in the equity of the company
- **Respect:** Maintaining an equitable and safe environment
- **Balance:** Recognizing the importance of work and life balance
- **Personal Development:** Growing through education and mentoring
