

Junior Mining & Exploration

PRL's Exclusive Junior Mining & Exploration Program

At **Purves Redmond Limited (PRL)**, our exclusive Junior Mining insurance program is a comprehensive, best-in-class and cost-conscious product tailored to the unique and volatile risks of the mining industry. Our dedicated team of professionals has drawn on its experience in both the mining and insurance sectors to develop an unmatched offering that provides the best return on your insurance dollar.

No mining company is too small, or too large for us. We partner with companies in all stages of the mining cycle; from exploration through to construction and production. We are a single-source supplier who's able to manage, consult and implement the required coverage.

PRL MISSION STATEMENT

To consistently provide exceptional, professional service and advice while nurturing trusting relationships with our clients, insurers, and colleagues.

About PRL

PRL was established in 1959 and today is one of the leading independent insurance advisory and brokerage firms in Canada with offices in Toronto, Vancouver, Calgary and Montreal.

Our Commitment to You

- **Our People and Culture:** We attract industry experts who take pride in delivering value and hands-on service
- **Our Service Model:** We customize our service delivery to meet your needs
- **Our Cost Structure:** We manage our costs to allow us to stay competitive with firms of all sizes and avoid unnecessary overhead or financial pressure
- **Our Ownership:** We're a private provincially incorporated firm with no public shareholders to service, allowing us to move quickly and make decisions without outside influence

Our Corporate Values

- **Client Focus:** Align ourselves with our clients and understand their business
- **Service Excellence:** Provide timely advice and service
- **Professionalism:** Through the quality of our work
- **Passion:** For growing our business
- **Integrity:** Be transparent and honest
- **Collaboration:** Optimize the intellectual power of the group

Our Commitment to Our Employees:

- **Rewarding Performance:** By advancing careers and sharing in the profits of the company
- **Ownership:** Providing opportunity for established leaders to participate in the equity of the company
- **Respect:** Maintaining an equitable and safe environment
- **Balance:** Recognizing the importance of work and life balance
- **Personal Development:** Growing through education and mentoring
